Student Services

ACADEMIC SUPPORT

International Student Advisor & International Student Initiatives Coordinator

Specialized staff who focus on international students and their academic and personal success within the Faculty of ALES.

Academic Workshops

Provided by the University of Alberta Student Success Centre. Workshops focus on writing, exam preparation, and other academic skills to help students succeed in their studies.

STUDENT LIFE

Lunar New Year Event

A celebration where the ALES community comes together to celebrate the new year with games, food, and entertainment.

2+2 Orientation

An opportunity to meet other 2+2 students, the International Student Advisor, and the International Student Initiatives Coordinator. You will learn about experiences at the U of A and get answers to questions you may have after arriving in Canada.
