Think Big. Think Silicon Valley. Think NPU.

Founded in 1984 and serving Silicon Valley as an accredited, nonprofit university for over 35 years

SCHOLARSHIP OPPORTUNITIES

NPU IS INVESTING IN YOUR FUTURE BY OFFERING
GENEROUS SCHOLARSHIP OPPORTUNITIES
WITHIN YOUR REACH

✳ **100 % Tuition Scholarships**   ✳ **50% Tuition Scholarships**

Why NPU?
- ✓ Polytechnic - applied business, computer science and electrical engineering education in the heart of **Silicon Valley**
- ✓ Graduates succeeding at **top companies** throughout the world
- ✓ International **student friendly** with CPT & OPT opportunities

- ✓ **Small Class Size** - student-centered in every sense
- ✓ Outstanding student housing located within **easy walking** distance to campus
- ✓ **Excellence in Teaching**—Faculty who work at top Silicon Valley companies and bring current technologies to the classrooms

Our Tuition
- ✓ Very Affordable - more affordable than most of the private and public U.S. universities
- ✓ Bachelor's degree programs with tuition under $43,000 for a full four-year bachelor's degree
- ✓ Master's degree programs with tuition under $16,500 for a full master's degree

Our Admissions and Graduation Timeline
- ✓ Enrollment occurs 3 times a year - Spring, Summer, and Fall terms
- ✓ Bachelor's degree that can be completed in less than 3 years with our year-round course offerings
- ✓ Master's degree that can be completed in 1 year

Our Students
- ✓ Come from over 70 countries around the world
- ✓ Leaders, dreamers, and achievers

Our Alumni
- ✓ Over 12,000 NPU Alumni working and succeeding around the globe
- ✓ A strong network of mentors, coaches, and business development partners

No Application Fee
Apply before Nov 30, 2019

Turning Dreams Into Reality

NORTHWESTERN POLYTECHNIC UNIVERSITY

MISSION

Northwestern Polytechnic University's mission is to provide quality higher education to help individuals of diverse backgrounds, interests, and skills achieve their full academic and career potential. NPU's objectives are:

♦ To prepare students for real world success by bringing current innovations and experience to the classrooms.

♦ To provide quality higher education through rigorous review, assessment, and improvement of the institution.

♦ To provide opportunities through cost effective tuition and scholarship programs.

♦ To cultivate professionalism and integrity to advance social, communal, and work environments.

NPU seeks to prepare its students to begin and enhance their professional careers in engineering, and business, through study in both undergraduate and graduate curricula.

OUR CORE VALUES

ACADEMIC EXCELLENCE - Share and expand knowledge, promote critical thinking, stimulate innovation and inspire life-long learning.

STUDENT-CENTERED - Focus on students' academic, social and economic needs.

OPPORTUNITY FOR SUCCESS - Empower individuals to achieve their full potential.

DIVERSITY - Embrace differences, promote openness, support freedom of inquiry and expression, and respect others.

HONESTY - Bolster ethical behavior, foster integrity, and promote responsibility and professionalism.

COLLABORATION - Encourage team effort and cooperative spirit to attain great results.

COMMUNITY - Nurture social, economic and environmental well-being and advance the public good.
