Outline

- ## How do I apply to UBC:

  - ❑ Choosing the right program for you

  - ❑ Self assessment – do I have everything that is needed for admissions?

  - ❑ What is the application deadline?

  - ❑ What is the document deadline?

- ## What happens after I applied?

- ## When can I register for courses?

- ## What courses will I need to register in?

- ## What if I have any questions?

THE UNIVERSITY OF BRITISH COLUMBIA
Faculty of Forestry

Which program is for you?

5 four-year Bachelor of Science Degrees and a Bachelor of Urban Forestry Degree, 8 majors (all with the co-op option)

Conservation

Bachelor of Science in Natural Resources Conservation

Global Major Science Major (with an option for a Dual Degree with the Faculty of Education/Business)

Forestry

Bachelor of Science in Forestry

Forest Resources Management (with an option for a Dual Degree with Business)

Forest Operations

Minor in Commerce

Forest Sciences

Bachelor of Science in Forest Sciences

Honors Specialization

(with an option for a Dual Degree with the Faculty of Education/Business)

Wood Science

Bachelor of Science in Wood Products Processing

Minor in Commerce

(with an option for a Dual Degree with Business)

Bioeconomy

Bachelor of Science in the Bioeconomy

New program dealing the bio-based materials science

Urban Forestry

Bachelor of Urban Forestry

Minor in Urban Green-Space Management

Minor in Landscape and Recreation Planning

Forestry

Coastal Field School – Malcolm Knapp Research Forest, Maple Ridge BC

Forest Resources Management Major

- Wide variety of topics, including wildlife, fisheries, range, recreation, water, and timber.

- Field schools are an integral part of the forestry programs.

- Upon graduation students from this program can apply to become Registered Professional Foresters.

Forestry

Forest Operations Major

- Planning and implementing complex harvesting

- Operations that maximize economic returns and minimize environmental impact

- **Minor in Commerce** available

- Students can apply to become Registered Professional Foresters or Professional Engineer

THE UNIVERSITY OF BRITISH COLUMBIA
Faculty of Forestry

Forest Sciences

Canadian Forest Service – 2013 Winter Session Co-op

- Focus: Scientific principles related to the growth and development of forest organisms, and the ecology of plant and animal communities.

- Students select an area of concentration during their second year

  – Genetics, ecology, entomology, pathology, silviculture, and fire science.

  – **International Specialization**: forest ecosystems in another part of the world.

Mayne Island – 2014 Summer Session Co-op

Science and Management Major

- Conservation and management of renewable natural resources, and landscape and local level planning for both terrestrial and aquatic ecosystems.

- Integrated Conservation Field School; semester-long (4th yr.) course divided into modules, each concentrating on a particular component of B.C.'s environment

- Rigorous in terms of the natural sciences, intensive exposure to Pacific Northwest planning, management and conservation issues

THE UNIVERSITY OF BRITISH COLUMBIA
Faculty of Forestry

Global Perspectives Major

- Conservation and management of renewable and non-renewable resources, policy formation and planning within a global context

- Emphasis on international policy and planning, and requires mandatory international experience

- Global issues capstone course uses international case studies and modeling approaches to explore the effects of decision-making on resource sustainability.

Stellenbosch, South Africa – 2013 Winter Session Co-op

THE UNIVERSITY OF BRITISH COLUMBIA

Faculty of Forestry
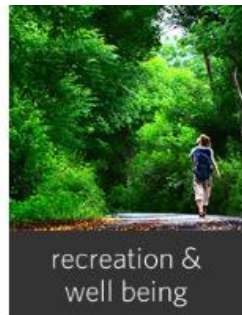

Wood Products Processing

Photo by Martin Dee

- An award-winning program fusing science, engineering and business, developed in direct response to the demand by the wood products sector.

- Students gain a comprehensive understanding of wood science, business and advanced manufacturing operations.

- Students can choose to complement their science degree with a **Minor in Commerce**.

Prince George, BC – 2014 Summer Session Co-op

THE UNIVERSITY OF BRITISH COLUMBIA

Faculty of Forestry

Urban forestry is about **planning and managing urban green-spaces and ecosystems** for human welfare, ecological health, and protection of our cities' support systems.

In collaboration with the School of Architecture and Landscape Architecture and other UBC departments, the Bachelor of Urban Forestry provides core competencies in:

- Urban Ecology, Human Dimensions, Recreation & Well-Being
- Climate Change, Sustainability & Conservation
- Forest Management (e.g. forest health, arboriculture, plant selection)
- **Minor in**
  Urban Green-Space Management
  Landscape & Recreation Planning

THE UNIVERSITY OF BRITISH COLUMBIA
Faculty of Forestry

FOREST BIOECONOMY SCIENCES AND TECHNOLOGY

- The BEST program is the Faculty of Forestry's **newest** degree program, with the first cohort starting in 2020.

- This degree is the **first** of its kind in Canada to provide a multi-disciplinary and comprehensive education focused on **the scientific, economic and policy issues related to the growing bioeconomy and creating a sustainable future.**

- Student will gain a solid foundation for the innovative design and development of renewable materials, energy, and sustainable land use strategies.

THE UNIVERSITY OF BRITISH COLUMBIA

Faculty of Forestry

Dual Degree with Business

- Earn a Bachelor of Science in
  - Wood Products Processing
  - Natural Resources Conservation
  - Forestry – Forest Resources Management, or
  - Forest Sciences

- and a Master of Management

How to Apply

1. **Apply online and pay the fee**

➤ Visit **apply.educationplannerbc.ca** to apply

➤ Always use your **official name** (as it appears on your official documents i.e. birth certificate, passport, etc.);

➤ Pay the application fee.

   ➤ Pay when you apply

Applications **will not be processed** until the application fee has been received by UBC

How to Apply

2. Receive student number and email acknowledgement

After submitting
- You will instantly receive a UBC student number to confirm receipt of your application;
- You will receive an acknowledgment letter confirming your UBC number and listing the documents needed in order to process your file;
- Please note: the email acknowledgement is official – print it and keep for your records

Add School

ARE YOU WANTING TO ADD A HOMESCHOOL TO YOUR ACADEMIC HISTORY?

○ Yes　● No

Homeschooling is education that occurs outside a formal setting such as a public or private school. Homeschooling is often conducted by a family member or tutor inside the home. It does not include remote and/or distance learning that occurs when students are educated at home, but the curriculum is delivered by a public or private school. Homeschooling does not include learning that may occur when public or private school are temporarily closed, for example due to the coronavirus pandemic.

How to Apply for Housing

➢ 2022 Summer & Winter Session Housing

➢ Winter Session Residence—September to April

➢ Summer Residence— May to August

➢ apply no later than May 1 and accept your offer of admission to

  UBC once you receive it.

➢ Should apply both Winter and Summer session, otherwise

  Housing will not provide living place for the gap between

  ➢ w/o winter session, summer session move out – mid Aug

  ➢ w/o summer session, winter session move in – Sep

THE UNIVERSITY OF BRITISH COLUMBIA

Faculty of Forestry

Self-assessment:
"Am I admissible?"

Do you have:

➢ An overall Grade Point Average (GPA) at least 68% (full admission) & 78% (conditional admission) – might differ
  ➢ Your GPA will be calculated on the most recent 30 credits (roughly 1 year courses) you have completed (except for PE lesson);

➢ Do you satisfy the English Language Admission Standard (ELAS)?

English Language Requirement

UBC accepts different tests of English language proficiency that evaluate skills in listening, reading, speaking and writing. The most commonly submitted are the **Test of English as a Foreign-Language (TOEFL)** and the **International English Language Testing System (IELTS).**

TOEFL
➢ UBC institution code is **0965**
➢ Internet-based test: overall **90/120**
   minimum part score **21** (**writing and speaking**) and **22** (**reading and Listening**)
IELTS
➢ Minimum score: an average of **6.5** with **no part less than 6.0**

Please note that UBC will accept test results taken no more than two years before you apply

English Language Requirement

English Language Proficiency Tests

	Test	Minimum Competence for Undergraduate Admission[1]	Minimum Competence for Entry to the Conditional Admission Program[4]	Minimum Competence for Vantage College

		Speaking: 21	Speaking: 19	Speaking: 16

When is the document deadline?

International students: Deadline to submit your required documents to UBC. Deadline to submit documents in support of meeting the English Language Admission Standard (ELAS).

February 15, 2022

➢ **Official Transcripts** have to be sent directly by your institution, name the file UBC student number, Last name, First name– Transcript (e.g. 12345678 Han, Meimei – Transcript)

➢ **Course in Progress** have to be sent along with your transcript and name the file in the format (e.g. 12345678 Han, Meimei – CIP)

➢ **English Proficiency test scores** have to be sent directly by the testing agency (IELTS file name: e.g. 12345678 Han, Meimei – IELTS)

find more information in application instruction

After you apply

As soon as your file is complete

➢ The application fee is paid;

➢ All of the required official Documents have been received by UBC Admissions;

➢ Proof of ELAS satisfaction

UBC will evaluate your admissibility. If you are admissible you will receive an offer to the program of your choice at UBC

Dear

Yes!

We are delighted to offer you admission to The University of British Columbia, Vancouver.

Please see the second page of this letter for the details of your offer of admission.

With this letter you join a select group of scholars from around the world who have earned entrance to UBC, one of the leading universities in the world. Many will choose UBC because of our high academic standards and beautiful campus locations. Others will be drawn by our outstanding faculty, our commitment to sustainability, and our research accomplishments. We trust that you have found solid reasons why you will choose UBC for your studies. Our reasons for choosing you are clear. Your ability and hard work are what got you here; your talent and imagination are what will allow you to make the most of what comes next.

To formally accept UBC's offer of admission, visit the UBC Student Service Centre at www.students.ubc.ca/ssc. See the second page of this letter for instructions. In addition, the enclosed acceptance package provides you with all the information required to help you plan for a successful year at UBC.

Congratulations on your admission. We hope that you are as excited about joining the UBC community as we are about

Faculty of Fo

After you apply (cont'd)

Once you have received the UBC offer you will need to apply for a Canadian Study Permit: https://students.ubc.ca/international-student-guide/immigration/study-permits
SDS is available now!

Please contact UBC International Student Advising if you need help regarding your visa/study permit application: https://students.ubc.ca/about-student-services/international-student-advising

be sure to start the process as soon as you receive the offer but only after you have received it.

This involves:
➢ completing an application
➢ Paying the fee
➢ Submitting relevant documents
    ➢ Official letter of acceptance from UBC
    ➢ Proof of sufficient funds for tuition and living costs

After you apply (cont'd)
When & which courses?

When:
You will have to accept the UBC offer through the Student Service Centre (Deadline: May 1, 2022 – check your SSC: https://ssc.adm.ubc.ca/sscportal/) and pay the registration deposit then you will receive an email from UBC telling you on what day and at what time you will be able to register.

Which courses should you register in:

Within the articulated program: The program manager (Ms. Joris Jun) will send your specific program sheet before course registration.
Outside of the articulated program: You should send Joris, all of the courses that you have completed with a course syllabus of what the course covered and on of them, together with academic advisors: https://forestry.ubc.ca/students/undergraduate-student-portal/undergraduate-student-services/, and program director, will work on your UBC study plan
